Japanese Grammar 100 in Plain English

By Clay Boutwell, Yumi Boutwell

Createspace, United States, 2013. Paperback. Book Condition: New. Bilingual. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Includes FREE MP3 Download Link. Recommended for Beginners of Japanese. Beginning to learn a new language can be a lot of fun. But it is important to begin your learning with structure. You don't want to end up knowing random or useless information that will sap your motivation once the initial enthusiasm fades. This book is intended to introduce important grammatical points in a structured, bite-sized way. We will introduce only the most useful grammatical points ordered by how common they are in beginner level textbooks. It is not, however, designed to replace a textbook or even a detailed grammar book. As a result, we spend little time explaining each grammatical note. Each of the one hundred lessons are designed to be completed in less than ten minutes. You won't master a grammatical point in one ten-minute sitting. You will, however, become familiar with something previously unknown. The next time you review that lesson or run across it in your textbook, you will feel like you are meeting someone you have seen or even met...

Reviews

Excellent eBook and useful one. it was actually writtern extremely perfectly and useful. You wont truly feel monotony at at any time of your time (that's what catalogues are for about when you question me).
