Going out with another man seemed a good way to forget about Mac, but Mac's reaction was more than she'd bargained for. Drawing her into a world of passion, Mac shows her a side of himself that he'd kept hidden, a side that draws her in even deeper. No longer trusting her own instincts, she fights to resist the irresistible. Only after a confrontation with her ex-husband does she realize that she feels more secure with Mac than she ever had in all the years she'd been married. He teaches her that she can trust her own instincts, and their love frees them both to be themselves-and to have the kind of loving relationship they'd both always dreamed of. ** A Siren Erotic Romance.
