Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

ARIZONA S YESTERDAY, BEING THE NARRATIVE OF JOHN H. CADY, PIONEER (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Covering the period of 1870 to 1915, this book is John Cady s personal narrative of his life in early Arizona Territory. He was a cowboy, soldier, deputy, and pioneer who had to navigate the dangers inherent in the wild west Arizona with its hostile Indians, gamblers, outlaws--not to mention dealing with a contract bride who did not seek a contract extension when the time expired. Yet the story of Cady s life is, one of the most gripping and interesting ever told, both from an historical and from a human point of view. It illustrates vividly the varied fortunes encountered by an adventurous pioneer of the old days in Arizona and contains, besides, historical facts not before recorded that cannot help making the work of unfailling interest to all who know, or wish to know, the State.
