Createspace, United States, 2012. Paperback. Book Condition: New. 211 x 147 mm. Language: English . Brand New Book. This book is based upon the concept of NLP with techniques showing how to deal with stress, phobia, relationship hitches along with methods for enhancing self-confidence, communication skills, leadership skills and many required skills for personal social success. A bonus chapter on Mind Control has also been included in it, to raise the understanding concerning the psychic powers of this modern phenomenon. The NLP techniques demonstrated, have been simplified to ease the understanding of those who are unaware of this discipline and allow them to apply and perfect its practice in their daily life. The book aims to change the way people view the world. It stresses on how behaviours can affect the life of an individual and shows different methods to adapt to effective behaviours for lasting success. And in fact, it brings the Power of Thought to the front, demonstrating that thoughts can change people actions and lead them towards the path they want. The 69Minutes NLP is a quick approach to enlighten even the busiest person in the world. The information has been structured with examples of the daily interest of the public so that its practice becomes more than feasible. All the complex theories and explanations have been reproduced in simple English to meet every standard of living.
