

## Digital Art (Paperback)

---

By Christiane Paul

Thames Hudson Ltd, United Kingdom, 2015. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. This third, updated and expanded edition of Christiane Pauls acclaimed book investigates key areas of digital art practice that have gained in prominence in recent years, including the emergence and impact of location-based media, interactive public installation, augmentive and mixed reality, social networking and file-sharing and tablet technologies. It explores themes raised by digital artworks, such as viewer interaction, artificial life and intelligence, political and social activism, networks and telepresence, and issues surrounding the collection, presentation and preservation of digital art. It also looks at the impact of digital techniques and media on traditional forms of art such as printing, painting, photography and sculpture, as well as exploring the ways in which entirely new forms such as internet and software art, digital installation and virtual reality have emerged as recognized artistic practices.
