And, she crafted her story without the influence of today's trendy tropes. That's the perfect combination for timeless fiction. Since its completion, Wandering Star has sat squarely in the company of the most beloved works of fiction, waiting for its time. When the Bono Kiro, the Alliance's longtime enemy, makes a sudden reappearance, Casandra and her misfit crew just might turn out to be the galaxy's last hope. Sure to delight the legions of fans of the series, this beautiful hardcover edition collects all 21 of the original comics for the first time. [Wood's] science-fiction series shows her clear vision of story and character -- and excellent ability to delineate both. -- Comics Buyers Guide Good science fiction turns on a compelling what if .
