The dubious art and antiquities underground is brought to life by professional archaeologist Baron. -Booklist When a member of the staff at a Turkish excavation is murdered and a mosaic floor disappears from her site overnight, archaeologist Tamar Satcoy plunges into the shady side of the antiquities trade in a quest to discover who is responsible for the theft. Are the two men harmless charmers-or villains? Then two more members of the excavation staff are killed: Tamar's venal British colleague Chatham, who has discovered a hoard of Thracian gold in Bulgaria, and the Turk Orman who-like Tamar-is following the trail of the stolen mosaic. Unless she can crack this case, Tamar may become the next target for murder.Aileen G. Baron has a Ph.D. in archaeology and taught for 20 years at California State University, Fullerton.
