By Matthew A Debettencourt

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 250 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. How do you catch a killer through time? When an unidentified body is found on the second floor of a Detroit antique shop, Strawberry Sundae Investigations is on the case! Set in an age of androids and hovercars, the Sundaes have unlimited advanced technology at their disposal. Still, the evidence doesn't add up. Little do they know the case would hit close to home when the only clues the victim left behind in the form of a personal journal reflect an erratically inconsistent timeline, suggesting the victim might not be from the present. Their best lead creates another struggle for one of their members: Dawn Vaia. Her fiancé, Taran Flint, is the leading scientist working on a secretive project which he claims involves a breakthrough method in traveling through time. Unlock the mystery when you travel to The Island of Time. Recommended for ages 10. This item ships from La Vergne, TN. Paperback.

*This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and I encouraged this publication to learn.*
