Lesson Plans for Teachers in Nature-Study Agriculture: Based Upon the Illinois State Course of Study (Classic Reprint)

By Alice Jean Patterson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Lesson Plans for Teachers in Nature-Study Agriculture: Based Upon the Illinois State Course of Study Two years ago when a course in Nature Study Agriculture became a part of the new state course of study there arose on the part of teachers a demand for some special help in teaching this subject. To supply this need the Lesson Plans in Nature Study Agriculture were published. That these have proved of value is very evident. Both teachers and superintendents speak in the highest terms of their usefulness. The first edition is now exhausted and it seems wise to publish a second edition. The lessons have been carefully revised and a number that in the first edition were rather meager have been rewritten in full. The arrangement of the years has been changed to follow each other consecutively instead of previous plan of grouping into odd and even years. This will add to the efficiency of the book. The lessons are planned expressly for busy teachers and especially for those who have had little or no training...
