

A More Conscious Life Workshop

By Marianne Williamson

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In this recording of a workshop at The Sophia Institute in Charleston, South Carolina, Marianne Williamson explores how a new spirit is emerging among us. It comes not from a particular region or religious or ethnic group but from deep within the human psyche. It is a new internationalism that is infused with spiritual understanding, both respecting the beauty of all our individual identities and turning the realization of our oneness into a massive movement for global change. In-depth exercises, meditations, prayers, and thought-provoking lectures are accompanied by therapeutic background music. All are designed to have a profound effect on listeners day-to-day lives by helping them find and remain in their Serene Centers, with the courage and presence of mind to look at their lives in a new, luminous light.
