Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

ONE DAY IN BUDAPEST (PAPERBACK)

Curl Up Press, United Kingdom, 2017. Paperback. Condition: New. Ingram ed.. Language: English . Brand New Book ***** Print on Demand *****.A relic, stolen from the heart of an ancient city. An echo of nationalist violence not seen since the dark days of the Second World War. Budapest, Hungary. When a priest is murdered at the Basilica of St Stephen and the Holy Right relic is stolen, the ultra-nationalist ErOszak party calls for retribution and anti-Semitic violence erupts in the city. Dr Morgan Sierra, psychologist and ARKANE agent, finds herself trapped inside the synagogue with Zoltan Fischer, a Hungarian Jewish security advisor. As the terrorism escalates, Morgan and Zoltan must race against time to find the Holy Right and expose the conspiracy, before blood is spilled again on the streets of Budapest. One Day In Budapest is a chilling view of a possible future as Eastern Europe embraces right-wing nationalism. A conspiracy thriller for fans of Daniel Silva, where religion and politics intersect. The story features Dr Morgan Sierra from the ARKANE thrillers, but is stand-alone and can be read separately from the ARKANE series.
