Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book is the outcome of the author s decision to share his expertise with others, particularly those about to embark upon a career in recreational activities involving children. This manual is a practical handbook of proper medical care. In 35 years in Education and Community organizations, the author has observed most staff have stress and anxiety with student injuries and providing proper First Aid. It is an area most of the staff is very uncomfortable with and have had little or NO training or information provided. His goal is to provide a practical handbook that could be added to Staff Handbooks for ALL organizations involving activities and programs for individuals of all ages. Este libro es el resultado de la decision del autor para compartir su experiencia con otros usuarios, especialmente aquellos a punto de embarcarse en una carrera en actividades recreativas que involucran a ninos. Este manual es una guia practica de la atencion medica adecuada. En 35 anos en las organizaciones educativas e comunitarias, el autor ha observado que la mayoría del personal tienen estres y...
