Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I am in the field where people work in Pyjamas. They write few books, consult few companies and make few videos. Their money is reflected straight into their bank account. Due to money constraints I have not traveled along the globe, but taking cue from their travelogue I am listing the best tourist places in World including Las Vegas, Pretoria, Beijing, Moscow and Goa. I am also listing few good places to stay and how to utilize Airbnb for best homely stays.
