

Spirits and Letters: Reading, Writing and Charisma in African Christianity (Paperback)

By Thomas G. Kirsch

Berghahn Books, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. This book has opened the internal communication system of so-called Spirit-filled churches for academic scrutiny. We can now begin to ask how and why are the Holy Spirit and internal communication becoming the principal tools for control, domination, or democracy in them. * Pneuma For those interested in the social life of the bible and other written materials, this book is sure to surprise. The surprise value of Kirsch's work lies in the broad sweep from fine-grained descriptions of individuals' bibles to far-reaching theoretical critiques of the anthropology of literary practices and bureaucracy. * Social Anthropology/Anthropologie sociale From relative obscurity, the study of Christianity has grown into a major academic field, to which this book makes an important and timely contribution. It is the first book-length study of literacy practices among African Christians. * JRAI Developing new theoretical perspectives out of sensitive historical and ethnographic research on practices of reading and writing in the Spirit Apostolic Church, this well written and accessible study offers anthropology at its best. Cautioning against simplistic understandings of literacy and textuality that still underpin much work on Christianity, his work offers...
