

## Histoire du Capitalisme

By Frederic P. Miller

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - La question du commencement de l'histoire du capitalisme, de ses origines, a été source de débats sociologiques, économiques et historiques depuis le XIXe siècle. Pour Karl Marx, ce système de production, symbole du triomphe de la bourgeoisie sur la noblesse, ne serait qu'une étape dans l'histoire de l'humanité, caractérisée par la lutte des classes, et serait condamné à être renversé par le prolétariat. Les sociologues allemands du début du Xxe siècle ont quant à eux mis en avant des explications culturelles et religieuses pour expliquer son émergence, Werner Sombart l'associant à la mentalité juive, Max Weber à l'éthique protestante. Plus récemment des historiens, tel Fernand Braudel, se sont intéressés à l'évolution dans le temps long de cette 'civilisation', en faisant remonter ses racines au Moyen Âge. L'histoire du capitalisme soulève de nombreuses polémiques, sujets de confrontation entre les grands courants politiques et économiques : impérialisme, colonialisme, inégalités, crises économiques, exploitation, mais aussi démocratie, liberté, développement, richesse et abondance sont autant de termes et concepts maniés par les auteurs qui ont étudié le sujet. 96 pp. Englisch.
