AMERICA TUWAQACHI: THE SAGA OF AN AMERICAN FAMILY (PAPERBACK)

Phillip John Parker, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An historical adventure that catapults the reader through the millennia. With words and thoughts garnered from rock, tree, song, and wampum, diary, manuscript, and memory, follow one family s journey through 18,000 years of civilization, adventure, and the creation of the United States of America. Trickster Coyote, in any of his many guises, may or may not let the revelation of truth come our way. The formation of this planet. The separating waltz of the continents. The construction and destruction of the first lands, or worlds. And the eventual creation by beaver or beetle or muskrat, or perhaps tectonic movement, of that which would one day be named America. These stories have been told and retold with the certainty of the spider hole woven into the center of any well-made blanket. Yet likewise with the agreed-upon uncertainty of which direction the wind blows above the valiant warrior s lodge. A Grand Family Saga on a scale never before attempted. One that upholds the values of the country we have built. The legend of America and our family begins here.
