Or is it yet another member of the agency Deciding to wing it, she turns up and meets Gloria. Gloria naturally expects Lucy to know why she is there, and almost immediately gives Lucy her first client. Lucy is horrified, but, concerned she might blow her chance if she confesses her lack of knowledge, she sets off on her first assignment. Another two clients are quickly added to her case load, and she finds herself involved with blackmail, missing persons, and a possible murder. Convinced she is working for a covert government agency, Lucy ploughs on with the job. Until one day, out of blue, she is forced to make a decision that could affect everything she has ever known.
