Stewart, Tabori, & Chang. Hardcover. Condition: New. Sun Young Park (illustrator). 176 pages. Dimensions: 10.8in. x 8.6in. x 1.0in. Alabama Studio Sewing Design is an invaluable reference for any woman who has dreamed of creating her own gorgeous handmade wardrobe. In this follow-up to Alabama Stitch Book and Alabama Studio Style, author Natalie Chanin presents all of the stenciling, hand-stitching, and beading techniques her company uses to create the award-winning Alabama Chanin line of organic cotton clothing, plus more than 50 variations that lead to infinite design possibilities. Included in this encyclopedic compilation of Alabama Chanin skill and style are patterns and instructions for dresses, skirts, tops, a wrap, a poncho, a bolero, fingerless gloves, and a hat. Each piece is featured in both its basic form and with varying embellishment combinations. By mixing, matching, and layering, a stunning, unique, and versatile wardrobe can be built. Praise for Alabama Studio Sewing Design: Transform organic or recycled materials into clothing or home decor items with haute homespun flair. Better Homes and Gardens Quilts and More magazine Natalie is beautifully simple, yet elegant, just like her clothing. Her signature look is intricate stitching, beading and applique on basic organic cotton jersey which together make a show stopping casual look. SF Unzipped I'm a longtime fan of Natalie's clothing designs . . . Her sewing patterns do not disappoint. These are the same dresses, tops, skirts, and accessories that carry four-figure price tags and are coveted by ec-groovy lady rock stars. The same ones. But in her books, Natalie teaches you how to make them yourself . . . Natalie's pieces are so simple to sew together . . . They go together in a single evening, and when you pull them on they don't just make you look better than you did in...
