

Cosmic Ordering with Vision Boards: Think It. See It. Get It! (Paperback)

By MS Lisa Newton

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At Last, The Missing Piece of The Secret - What They Didn't Tell You . You may have heard of The Secret and the law of attraction. Perhaps you've watched the movie or you've heard about this phenomenon through a friend and you've tried to apply it, and it didn't work! And perhaps you got frustrated and have now put the idea to one side. Hold on. It DOES work. And I suspect that deep down, somewhere in your subconscious mind you too *KNOW* it works. Maybe you've been seeing it work for other people and you want to know how they're doing it! How can you make this work for you? For those cosmic-orderers, it can be difficult to explain how it works, because it does just kinda become a way of life. When you're adapted to this, it's like breathing. And when someone asks you how - you can explain, but just by missing out one critical part - it's not the same. Some people want to understand HOW and WHY this...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
