Cheap plane tickets are great to grab, especially when airfare is such a large part of the travel budget. Travelers can get more out of their vacation from accommodations to tours by starting with this pictorial introduction compiled with an artist s perspective. The view from the hotel or the hostel and every daytrip navigated with a local map will mean so much more after exploring Panoramas of Portugal. Portugal has a long and varied history. After being invaded and settled by groups as old as the Pre-Celts and the Romans, struggles continued with Visigoths and other Germanic people. In 711 CE, the nation was firmly established. Portugal is perhaps best known for being the first truly global empire. Its maritime exploration during the early part of the Age of Discovery, the 15th and 16th centuries, provided an influx of wealth through the spice trade. The Joanine era saw more than spices ship through her ports. Gold, wheat, copperware, cloths, tools, wine, and horses were all traded. Then came centuries of turmoil. From the 17th through the 19th centuries, wars, the loss of colonies, and a lack of participation in the Industrial Revolution saw the nation decline. Then a significant earthquake triggered destruction, fires, and a tsunami that almost completely destroyed Lisbon. Today Portugal is a striking place for tourism with unique architecture, a sunny climate, and Mediterranean culture. The cuisine is renowned, and fresh seafood spiced with chili and black peppers, saffron and olive oil can be found at inexpensive restaurants. Travel tips and facts about wildlife, food, rental cars, camping, adventures, travel and tourism, cultural tours and more are easy enough to find on travel sites like Expedia or Travelocity....
