PREACHING PARABLES TO THE POSTMODERNS (FORTRESS RESOURCES FOR PREACHIN G) (PAPERBACK)

Augsburg Fortress, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Stiller argues that Jesus parables, through their narrative, personal, and oral dimensions and reversal of expectations, provide unique access to Christianity for those whose experience and hopes we label postmodern. Aligning contemporary scholarship with today s cultural assumptions, Stiller offers preachers a working knowledge of postmodern sensibilities, an understanding of the parable genre, an analysis of ten parables, and a sample of how one might preach them effectively. However we understand the postmodern era, we are not post the need to pay careful attention to the parables of Jesus. In this excellent study, Brian Stiller provides us with many profound insights about how to apply these stories to the complexities of our contemporary lives. Many congregations will be blessed by preachers and teachers who draw on the wisdom offered in this book! - Richard J. Mouw, President and Professor of Christian Philosophy Fuller Theological Seminary Brian Stiller welcomes Jesus parables not as mild moralisms, but risky, brilliant glimpses of God s love and mercy in a world starved for promise. This book is a workshop for preachers, breaking open one parable after another to the truth of God s great surprise in Jesus. - David Tiede, President and Professor of New Testament, Luther Seminary Here is a book on the New Testament parables that is both faithful to the biblical texture of these ancient stories and sensitive to the world in which they must be proclaimed today. A timely gift for preachers and evangelical storytellers everywhere. Thanks, Brian! - Timothy George, Beeson Divinity School, Samford University and Executive Editor, Christianity Today Preface Postmodernity The Nature of Change The Premodern and Modern Ages The Postmodern Experiment Characteristics of Postmodernity Parables: A Window of...
