Brands have failed to fulfill the promise of automation and digital marketing. Genuine is gone. Authentic is gone. Brands have gone Digital First but simplified nothing. They ve made it very difficult to do business with us from a customer perspective. It s downright disproportionate. You can t you can t really you know work your way through the jungle of service in an elegant way. Let s consider, the tactic we know as call deflection. You may save some pennies on the transaction when you avoid that call coming in to a call center. But you probably have an unhappy customer on the other end of the keyboard or telephone line. What that means is people hate your virtual agents and chat bots, as much as they have learned to hate your offshore live agents in Bangalore or Manila. Take Financial Services, In a twenty-year relationship with my bank, they ve probably given me fifteen reasons to not want to be their customer. Nowadays, the only reason I m their customer is because I have all of my banking crap...
