LOVE OTHER OPTIONS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Now that Syrena and Eric have fallen in love they will live happily ever after and ride off into the sunset, right? Wrong. At least not if their families, friends, and former lovers have any say in the matter. Jenny Sullivan, Eric s first love who is separated from her husband, moves back to Philadelphia. She befriends Eric s sister GiGi who is the president of the Anti-Syrena Fan Club. Together, they plot to tear Eric and Syrena apart. Scott Henson, Syrena s friend from college who is secretly in love with her, returns to Philadelphia for one reason and one reason only: make Syrena his and no one - especially Eric - is going to stand in his way. Eric and Syrena must decide what is best for them as a couple and as individuals, or if they should consider exploring other options. They are forced into situations that cause the reexamination of themselves, their decisions, and their future. The question is: Can their love survive the surprises and challenges or are they simply better apart? Love Other Options tells the story of what happens after two people really fall in love and the outside world around them begins to pay attention.
