Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Guide to the Manuscripts and Printed Books: Exhibited in Celebration of the Tercentenary of the Authorized Version The publication in 1611 of the Authorized Version marked an epoch, in the proper sense of that term, in the history of the English Bible. It was a point at which one period ended and another began. It ended a long series of attempts to produce a satisfactory translation of the Scriptures into English It began a period of supremacy, unassailed after the first thirty years of its existence, and unquestioned for two hundred years thereafter, for the translation which then saw the light. It gave to the English nation, and eventually to all the English-speaking peoples throughout the world, a version of the Scriptures as faithful and accurate as the scholarship of the day admitted, and expressed in rose so stately and splendid as to make it one of the great classics of the English tongue. For the English language, for English literature, for English religion, and, through English, for the religion of many peoples, nations, and languages in all the earth, the publication of 1611 was in the fullest sense epoch-making. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
