Brand New Book ***** Print on Demand *****.Have you ever wondered how some authors can claim that the founding fathers of America were Christians while other authors claim that those very same founders were atheists, deists or even theistic rationalists? In this artfully written volume, Christian apologist Bill Fortenberry examines several of the quotes from our founding fathers that are frequently used to argue against the Christian heritage of America. In doing so, Mr. Fortenberry opens up to us a treasury of facts about our nation's founding that have been hidden by modern scholarship. Did you know that Benjamin Franklin only experimented with deism as a teenager and that he soon rejected it entirely? Did you know that at the age of twenty-nine he wrote three bold defenses of his Christian faith? Did you know that John Adams called the French Enlightenment thinkers cowards and atheists who were destitute of common sense? Did you know that he frequently referred to Jesus Christ as his Savior? Did you know that George Washington recorded a prayer expressing his acceptance of the sacrifice of Jesus Christ for his sins? Did you know that he left the Masonic Lodge as a young man, that he denied being a member of any lodge during the founding era of our nation and that he referred to masonry as being mere child's play? With abundant references to the original writings of the founding era, Mr. Fortenberry provides American Christians with an invaluable defense of our nation's Christian heritage. Topics covered in Hidden Facts of the Founding Era include: - A detailed explanation of the importance of studying the founding fathers. - A chapter on the forgotten founder, Charles Thomson...
