

Footsteps on the Ice: The Antarctic Diaries of Stuart D. Paine, Second Byrd Expedition (Paperback)

By Stuart D. Paine

University of Missouri Press, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In 1933 Antarctica was essentially unexplored. Admiral Richard Byrd launched his Second Expedition to chart the southernmost continent, primarily relying on the muscle power of dog teams and their drivers who skied or ran beside the loaded sledges as they traveled. The life-threatening challenges of moving glaciers, invisible crevasses, and horrific storms compounded the difficulties of isolation, darkness, and the unimaginable cold that defined the men's lives. Stuart Paine was a dog driver, radio operator, and navigator on the fifty-six-man expedition, the bold and complex venture that is now famous for Byrd's dramatic rescue from Bolling Advance Weather Base located 115 miles inland. Paine's diaries represent the only published contemporary account written by a member of the Second Expedition. They reveal a behind-the-scenes look at the contentiousness surrounding the planned winter rescue of Byrd and offer unprecedented insights into the expedition's internal dynamics. Equally riveting is Paine's breathtaking narrative of the fall and summer field operations as the field parties depended on their own resources in the face of interminable uncertainty and peril. Undertaking the longest and most hazardous sledging...
