Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Brandon McMahon s poems are clear, straightforward, occasionally rhyming. His concerns are direct: people should pay attention to their lives as they live them, since they will be dead a very long time. These poems remind us of the fact of our brief experience on planet Earth, and of our need to squeeze the sap from each moment. - Tom Chandler, Poet Laureate of Rhode Island If you enjoy a story of deep inner turmoil and torment, this book is for you. This book highlights the deepest and innermost negative feelings Brandon McMahon has ever experienced, expressed in extreem soul-grinding detail. Call him mad, genius or enlightened, Brandon McMahon knows exactly how to pull six feet under to the surface. - Anonymous.
