In this book, you will learn: The toxic effects of chemicals The implications of nuclear radiation The nutritional problems caused by our diet The hazards of medical mistakes The kidney s advance system for healing The remarkable ingredients in urine Testimonies and history of urine therapy Why urine is the ideal tonic for the restoration of health Practical ways to utilize this personal remedy Tony Scazero has been researching and practicing urine therapy for over 20 years. After trying it out in many situations and listening to others who have done the same, he came to the conclusion - it really works. With over 80 websites and a dozen books to back up his experience, he felt compelled to publish a simple book to condense this information for the average Joe. Not only will the reader learn about the phenomenal results from this obscure remedy, but...
