ESASA (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. MS Margaret Weissman (illustrator). Language: English . Brand New Book ***** Print on Demand *****.In London England on the 1st of April AD2020 after his father s tragic death while out riding in a fox hunt, and his own coronation, King William ascended the English throne, declaring himself Supreme Monarch of England and dissolved Parliament. He swore to defend all English-born citizens present and future and he abolished slavery, with moral support from Queen Ann who is expecting their fifth child. The newly formed King s Ministry, after much friendly pressure, from the also newly formed Royal Police Force (RPF) proclaimed that every police officer, male or female, uniformed or not, must, at all times, carry a handgun of their own choice. In return, the King demanded that each individual officer of the law must swear under oath, loyalty to the King and his Ministry. But by 2030 the Earth s sky is more often grey than grey-blue due to the effects of global dimming. Man, in his foolishness, egged on by greed and the lust after riches and power and with complete disregard for Earth s future residents, has been burning fossil fuels since the steam-age. First, it was coal, then it was oil and now it is gas, which is to say all three. With the polar ice caps and glaciers gone and the mountains bare of ice and snow, worldwide precipitation increased a thousand-fold. Over the years, the sea invaded the lower land levels reducing the world s landmasses by over a third. Those countries, which heeded the warnings of the scientists and meteorologists and were fortunate enough to have the resources, defended their coasts with massive 30 meter-high sea barriers. The planet Earth is a world in a...
