Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.You re sleep-deprived, in ways you never imagined. Putting one baby to sleep is hard enough, but now you have two to contend with. Two babies who wake up at random times throughout the night. Two babies whose pacifiers fall out and need to be put back in a million times. Two babies you need to rock, nurse, or hold to get them to fall back asleep several times every night. No wonder you re tired. And I can relate: my twins kept my husband and me up at nights, disrupting everyone s sleep. Rocking or nursing to sleep was exhausting. I knew this wasn t a sustainable pattern to continue, and I looked forward to the day when I could finally help them fall asleep on their own. I had an older son whom I sleep trained when he was a baby, but I needed a system that worked specifically with twins. I was dealing with two babies with different patterns and sleeping aids. And so I modified the sleep training method I had used for my singleton to accommodate twins. After just a week, both boys were sleeping 12 hours straight (from 7pm to 7am) without waking up once. I wrote a blog post about the process, to the delight of many twin parents. Several responded with success stories after using my methods. Others had more questions. After answering many of them, I knew I had more to say than what could fit in a single blog post. I wrote and wrote until I answered their questions and addressed different scenarios. and then compiled it all into this guide. I don t know about you, but I had some serious...
