Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When Korean speakers first attempt English, they are often tricked into picking up a book on accent reduction. Like candy on a six-year-old, the promise of better speech fills the mind with a curiosity to unlock its potential. A student of American English might initially not have a taste for accent reduction, but later realize that when it comes to their speech, they re in very deep trouble. Eliminate Your Korean Accent is designed so you thrive when pronouncing English words. This manual escorts you through the awkward stages, intent on bringing your plan of clear American speech to fruition. This course is fully supported by a series of free YouTube videos, detailing and demonstrating key vowels and consonants, opening the door to a solid American accent.
