Tate Publishing & Enterprises. Paperback. Book Condition: New. Perfect Paperback. 148 pages. Dimensions: 7.8in. x 5.2in. x 0.5in. Where I lived was in a community called Old Jagger. There were ten families living there and each family had at least three kids. My best friend was Skid Marks. Skid was not his given name. His given name was Alfonzo Lucia. With a name like that, he was glad that he had a nickname. And so begins the adventures of Skid and Bill. In this collection of short stories, Skid and Bill are always looking for something to happen; if nothing is happening, then they will make it happen. Most of the time, their plans spin out of control and even Skid can't figure out how to get it back on track. How about the time that they wanted to make the Homecoming bonfire more exciting by putting a few firecrackers under the wood? Who wouldn't want to see some adventure during a boring test day by scaring the daylights out of Jim Long Nose Smith with a mouse on a string? Through all of these somewhat misunderstood adventures, Bill and Skid grow up together and realize their friendship is even more important to them than being local heroes. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Perfect Paperback.
