## LISTENING TO THOSE LITTLE NUDGES (PAPERBACK)

Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.God is Constantly Speaking to His People. The Question is: Are We Listening? This book will transform your spiritual walk for the better, bring you closer to God, help you discover God's ordained way of speaking to you, and heighten your spirit. For God did not call us to walk timidly, but to walk victoriously in every aspect of our lives. Dr. Kemi Onayemi is a Medicinal Chemist, a Health Professional, a University Professor, a Writer, a Health Wellness Advocate and an Author. She is also a business woman and a caring mother of two teenagers. She is a very hardworking individual. Dr. Onayemi worked in several Pharmaceutical Companies over a span of nineteen years, during which time the Lord called her to begin work on her purpose on this earth. She also now teaches people how to have better health through a divine lifestyle change. She believes we become what we eat. She has the gift of exhortation and utilizes this gift in her quest to always encourage people in helping them to see the positive side of everything. Her smile along with her laughter and her humility will brighten any room. Her zest for growth in her walk is infectious as she loves to share her testimonies to make others understand that God can do things for all people if they would just welcome Him. God is at work raising up an army of believers to come alongside Him to carry out His work on earth and Dr. Onayemi is a willing vessel in the mighty hands of God.
