

The Chaplain, Vol. 17: April, 1960 (Classic Reprint) (Hardback)

By Chaplains and Armed Forces Personnel

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Chaplain, Vol. 17: April, 1960 Chaplains have played their part in this recovery, with their increasing use of lay leaders and their expanding programs for service people and their families. Yet the larger part of this recovery lies outside our chapel programs; for the greater aim is not to acquire assistant chaplains but to assist lay people to hear and heed the call of God in everyday life. The purpose of this issue is to assemble some of the best and latest resources for development of the theme in your own unique calling. You will find the seeds of many sermons in William Barclay's The Calling of God. You will find John Oliver Nelson talking directly to you. The Laity Packet (p. 49) and the bibliographies and kinescopes (p. 8) offer help for personal and group study and program building.
