

## The New World and the New Thought

By James Thompson Bixby

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.THE purpose of the author, who is evidently a theistic evolutionist, as in his previous volume, entitled Religion and Science as Allies, is to promote this alliance. He holds that the vastness of the universe, as disclosed by modern science, does not indicate the insignificance of man, but his greatness, since evolution proves that he is the end and aim of creation - the head of the kingdom of life. He claims, in opposition to Huxley, that evolutionary processes, if traced far enough, disclose a moral purpose and tendency; and, in antagonism with Tyndall and Spencer, he claims that God is knowable by man, and that our religious instincts and intuitions are trustworthy. Evolution being defined as God s method of working, an alliance between evolution and Christianity needs only a correct conception of Christianity, and this, our author believes, is furnished by the higher criticism. Some things said by the author seem to indicate his rejection of the Bible miracles; but he says: The only miracles which even religion today should know are those wonders. that present...
