

## Rethinking Management Education for the 21st Century (Hardback)

Filesize: 6.09 MB

### **Reviews**

*This pdf can be worthy of a study, and a lot better than other. I am quite late in start reading this one, but better then never. You wont truly feel monotony at at any moment of your respective time (that's what catalogues are for regarding in the event you check with me).  
(Prof. Douglas Grady)*

## RETHINKING MANAGEMENT EDUCATION FOR THE 21ST CENTURY (HARDBACK)

Information Age Publishing, United States, 2002. Hardback. Condition: New. Language: English . Brand New Book. Suffolk University Research in Management Education and Development (MED) is a book series to foster the advance of MED research, learning, theory, and practice. Our objective is to reflect and shape contemporary discourse about important issues that will serve both academicians preparing mainstream courses and business professionals in management education and development. The series aspires to be a window on the future and a compendium of best practices. Currency, innovativeness and relevance will inform editorial decisions. Prompt review of submitted proposals as well as timely production and marketing of the completed volume is assured. This book series will include both edited volumes comprised of articles written by specialists in various aspects of the volume s theme and single-authored books. Each volume will be devoted to an in-depth examination of a particular management education issue including but not limited to the following: Assessments of technological innovations in MED such as those based in internet technologies and other new media, creating virtual learning communities, advances in simulations and virtual reality applications, intelligent tutoring, distance MED, knowledge management and MED, use of MED in increasing the human capital of organizations, global differences and trends in MED from a comparative perspective, comparative studies of MED across industries, the social psychological context of MED, cognitive issues in MED, service learning, corporate universities, strategic approaches to management development, emerging visions of management education, approaches to structuring MED, issues in managing MED, support functions in MED, issues in the deployment of MED, MED change management, MED alliances and networks, ethical dimensions of MED, corporate cultures and MED, integrating consulting into MED, new approaches to internships and field experiences, faculty externships, assessment and accreditation of management education, comparative studies of MED curriculum development,...
