Toni tries to get her new friend, Meghan, to help-but Meghan s first visit to Toni s home ends badly, thanks to a surprise encounter with frozen mice. Then a missing snake and bossy parrot only make things worse. If Toni can t get out of this sleepover, the whole school will find out her family is not normal. This wacky tale is packed with fun, feathers and friendship-and a sleepover that no one will ever forget. A Personal Note From The Author: The idea for this novel came from a real-life wild bird care center that I worked in for several years.
