

## An Ethnography of English Football Fans: Cans, Cops and Carnivals (Paperback)

By Geoff Pearson

MANCHESTER UNIVERSITY PRESS, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. This book, available in paperback due to popular demand, is an ethnographic account of English football fans, based upon sixteen years participant observation. The author identifies a distinct sub-culture of supporter - the carnival fan - who dominated the travelling support of the three teams observed - Manchester United, Blackpool and the England national team. This accessible account follows these groups at home and abroad, describing their interpretations, motivations and behaviour and challenging a number of the myths about hooliganism and crowd control. The text will be of value to anyone studying, researching or interested in ethnographic modes of enquiry or the behaviour of football fans. In particular it will be of value to anyone involved in the academic disciplines of policing, criminal justice, sociology, criminology, sports studies and research methods. It also makes recommendations for the management of football crowds that will be of use to practitioners involved in policing, crowd control and event management. -- .
