Nazi Time Machine takes place in the year 2095 with Eli Lock a boy that dreams of science fiction and time travel. He comes to the realization that he must try to find a cure for cancer to save his dying mother. Eli enlists the help of his uncle Bill Lock and Landon Green a former NASA Astronaut and a U.S. Air Force Test Pilot. Both who works in an underground facility in Alaska owned by billionaire Blake Tucker who is building a Time Machine using ideas and old test experiments from Adolf Hitler paranormal science obsession. Together the team comes up with a plan to steal the Time Machine, and then they must figure out a way to get their hands on a huge amount of money to help finance the rest of their plan to travel to the future. They come up with a plan to travel back in time to 1909 to try and get an autograph baseball card from one of the most famous baseball players of all times Honus Wagner, which will bring them over 3 million dollars if they can get one of his baseball cards and bring it back to 2095. The plan seems to be going along good until Landon comes back from his time travel trip from 1909 and sees the world he left in 2095 has changed. The world is now ruled by a Nazi war lord with an army of blood thirsty Nazi storm troops that were part of an experiment started back in 1945 by Adolf Hitler. Landon and his team must now try to figure out what went wrong with their time travel experiment.
