Spiritual Battles, Creative Force, Drawing Your Sword, Prophecy, and The Parousia are only five of the twelve chapter titles in Raising The Scepter, telling what is happening in our world and what will occur in the coming years. Delivered in the format of a novel, the spiritual information contained within the text was given by God, through His Holy Spirits, to co-authors Louanne Chan and Frank Collins for dissemination so that all can prepare and strengthen for the days to come. What is God really like What are our choices Who are we battling How do we protect ourselves from destruction The answers to these questions and others are delicately woven into the story of Tina, a forty-year-old woman who undergoes spiritual transformation as she receives instruction from the Holy Spirits of God. Prior to her experiences, she thought she knew God intimately and what really mattered in life. What Tina learned changed her forever. I AM with you always, but especially in your darkest moments. I AM with the weak, the poor of spirit, and the low of heart. I AM that which created all. Stand and call upon me and my angels will be so commanded to deliver you from the darkness and into the light. - Excerpt from Chapter Seven of Raising The Scepter This item ships from multiple locations.
