

Teaching the Animal: The Humanities

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out. (Dr. Raven Ledner)

TEACHING THE ANIMAL: THE HUMANITIES

Lantern Books,US, United States, 2011. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. Teaching the Animal: The Humanities is a pioneering collection of original writings that detail the challenges and opportunities in developing a course in the humanities in a burgeoning new area of academic study: Human-Animal Studies (HAS). Leading academics from film, history, gender studies, literature, philosophy, religion, and cultural studies provide a comprehensive overview of the state of their disciplines, the philosophical and practical issues involved in discussing the intersections of human and nonhuman animals in society, the resources available to instructors, and the expectations of students and faculty before, during, and after teaching such a course. In addition to sample curricula and syllabi that offer a wide variety of methodologies and insights for teaching the particular subject, each chapter comes with a detailed filmography and extensive bibliography. All these make Teaching the Animal: The Humanities the definitive handbook for teachers of HAS at undergraduate and graduate levels. This book is a companion to Teaching the Animal: The Social Sciences. The contents of this book are included in the comprehensive volume Teaching the Animal: Human-Animal Studies across the Disciplines.
