Fortress Kent (Hardback)

By Roy Ingleton

Pen Sword Books Ltd, United Kingdom, 2014. Hardback. Condition: New. Language: English . Brand New Book. Since the dawn of civilisation, Britain has been menaced by foreign powers and invasive hordes, anxious either to pillage and plunder or to invade and rule over this green and pleasant land. Situated on the extreme southeastern corner of England, the county of Kent is the nearest point to continental Europe, and has so been the targeted landing point for most of these incursions. From the time of the Angles, Jutes and Saxons to the Second World War, the Men of Kent and Kentish Men have had to set up and maintain defensive structures, from Norman castles to 1940 pill boxes, from the Royal Military Canal to the anti-tank ditches carved out of the hills around the coast. This book is the story of these: the threats which led to the erection and construction of various defensive obstacles, their up-keep and garrisoning and, in some cases, their ultimate destruction.

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

-- Prof. Edgar Kshlerin

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Emmitt Harber
