

Under the Dragon Flag (Paperback)

By James Allan

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The following narrative is a record of my experiences during the late memorable war between China and Japan. Without going into any detailed account of my earlier life, some few facts concerning myself are probably necessary for the better understanding of the circumstances which led up to the events here presented. It will be obvious that I can make no claim to literary skill; I have simply written down my exact and unadorned remembrance of incidents which I witnessed and took part in. Now it is all over I wonder more and more at the slighness of the hazard which suddenly placed me at such a period in so strange an experience.
