WINTER GARDENING FOR BEGINNERS THE ULTIMATE GUIDE TO COMPANION GARDENING FOR BEGINNERS (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Winter Gardening for Beginners The Ultimate Guide to Companion Gardening for Beinners Container Gardening Lack of space to plant your favourite fruit trees, vegetables, and/or herbs should not prevent you from having a garden that will yield fresh produce for you and your family to enjoy. Most families that live in apartments, condominium units, or places that don t offer a big enough space to create a regular garden turn to container gardening. Although a container garden has many similarities with a regular garden, you may need to exert some extra work in terms of proper care and maintenance. If you can choose the plants that blend well together, then your container garden can provide added aesthetic appeal to the interior of your home while providing fresh and organic produce on your table. Let s face the truth; it is absurd to believe that commercially bought fruits, vegetables, and herbs are not without pesticides even if the store boasts that they only sell organic produce. Growing your own organic produce is the only thing that can make you feel at ease that you and your family will be eating fresh and chemical-free vegetables and fruits. Learn the ideal fruits, vegetables, and herbs to grow in your garden and the containers that suit them. This book will guide you from start to finish and give you pointers on how to keep your container garden healthy and gorgeous. You and your family will definitely enjoy the succulent taste of chemical-free produce fresh from your garden. Material Covered. Why Container Gardening?
