(PAPERBACK)**

Continuum Publishing Corporation, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. This philosophical examination of trade and aid argues that a compassionate, rational and humane engagement with the global economy could lead to a better world. International development is now more topical than ever. Billions of dollars have been given in grants or spent on the infrastructure of the development industry. The global aid and trade industry is gigantic and high-profile. It is also hugely controversial....
