But if thou do which is evil, be afraid; for he beareth not the sword in vain; for he is the minister of God, a revenger to execute wrath upon him that doeth evil. - Romans 13:4 John Bishop, a member of the elite Direct Action Response Team, is confronted by a clandestine man in a black suit and tie named Mr. Smith. Mr. Smith invites John to join the ranks of the Gene Police, an insidious organization dedicated to targeting and killing off humanity's criminal offenders and social delinquents. After being initiated into the inner function of the Gene Police and finally accepting Mr. Smith's offer, John quickly comes to the inescapable conclusion that he's made a terrible mistake. The Gene Police is a work of classic dystopian science fiction and a disturbingly realistic account of how the path to a utopian society quickly unravels into a malevolent conspiracy of evil.
