THIRD EYE: TOOLS FOR AWAKENING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is about a journey. It s about walking down a path toward a hidden door. And behind that door lies a great secret. Many claim to know what lies behind that door. But those stories vary a bit. Some say it opens up increased intelligence. Others say it gives psychic abilities, such as clairvoyance and precognition. Others say that when you open that door, you will see visions, images from the past or future. Some claim to be able to leave their physical bodies and explore the spiritual astral realm. Overall, the summary of what lies behind that gateway is called enlightenment, which is best described as entering into your higher consciousness. Beyond your higher self, it is said that this door leads to a connection to the Universe or Universal Consciousness. Thus, it leads you to become one with this highest or source consciousness. Some describe this as becoming a god, or god-like, or simply as god (being now one with this sentience). It s a trip. It s a journey. It s not to be taken lightly. But walking down this path to this mysterious and hidden doorway is the way to a kind of treasure that lies nowhere else in all the world. And it s right here - within you! Opening this door is called the Awakening of your Third Eye. This book provides 25 tips (25 tools and techniques) to help you on your journey toward opening this door. Some of the specific tips and techniques include the Thoh Technique and the May Technique, which are specific techniques using mantras. There is a specific technique where you Clear Your Mind and achieve the...
