McGraw-Hill Education - Europe, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. This is the strategy that consistently gets high returns with low risk - because it knows when to adapt. After examining more than two hundred years of data across dozens of markets and asset classes, the conclusion is clear: Momentum continually outperforms. However, most mainstream investors haven't had a way to fully discover and implement the benefits of momentum investing .until now! Whether you're an independent investor, investment professional, or money manager, Dual Momentum Investing enables you to consistently profit on major changes in relative strength and market trend. Based on the award-winning work of Gary Antonacci, an expert in modern portfolio theory and optimization, this groundbreaking guide presents an easy-to-understand, straightforward model that transforms momentum concepts into an actionable investing strategy called Global Equity Momentum (GEM). By combining relative-strength momentum and absolute momentum, this proven methodology lets you take advantage of intramarket trends while avoiding large drawdowns. A disciplined implementation of his proven strategy enhances the ability of every trader to: Lock in profits and mitigate risk with a minimal number of switches per year among US equities, non-US equities, and bonds; establish meaningful control over investment risk once an asset's value begins to decline; and, remove emotional and behavioral biases from your decision making while taking advantage of these same biases in other traders to achieve exceptional returns. Each facet of GEM is explained with simple clarity using the perfect amount of supporting theory, historical analysis, and understandable data. Pragmatic techniques come to life with real-world relevance that both deepens your understanding of why dual momentum trading works and better prepares you for using it with your own investments. From picking a cost-effective brokerage firm, to making asset choices, to...
