Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To me, too, the world seemed a colder, lonelier place when age and experience at length forced upon my reluctant seven-year-old consciousness the despairing conviction that Heaven was not so near me as I had dreamed. Mayhap, twas even nearer, nearer than breathing, closer than hands or feet but the ideas of childhood are, necessarily, very concrete; and when I once accepted the fact that the gates of pearl and streets of gold were not in the attic of Clifton Church, I felt as though they might as well be beyond the farthest star. Many of those early memories are connected with visits to Grandfather Montgomery s farm at Park Corner. He and his family lived in the old house then, a most quaint and delightful old place as I remember it, full of cupboards and nooks, and little, unexpected flights of stairs. It was there, when I was about five years old, that I had the only serious illness of my life -- an attack of typhoid fever.
