In *The Land Between*--a book and five-session video-based small group Bible study--author Jeff Manion uses the biblical story of the Israelites journey through Sinai desert as a metaphor for being in undesired, transitional space. After enduring generations of slavery in Egypt, the descendants of Jacob travel through the desert (the land between) toward their new home in Canaan. They crave the food of their former home in Egypt and despise their present environment. They are unable to go back and incapable of moving forward. *The Land Between* explores the way in which the Israelites reactions can provide insight and guidance on how to respond to God during your own seasons of difficult transition--foreclosure, unemployment, parents in declining health, post-graduate uncertainty, business failure, and more. It also provides fresh biblical insight on how to find God in your pain and trust him in your waiting. This pack contains one softcover book and one DVD.
